**INSTRUCTIONS FOR COMPLETING CDBG PROJECT PROPOSALS
2009-2010 PROGRAM YEAR**

Make sure you have the appropriate proposal forms for your project. There are two proposal formats: Public Service Program Proposal (7 pages) and Construction and Other Community Improvements Project Proposal (11 pages). The proposal forms may be photocopied. If possible use yellow paper for copying Public Service Program Proposal forms. **Submit only one paper copy of completed and signed forms for each proposal. Proposal forms in Microsoft Word can be requested via E-Mail to: imishodek@cdh.sbcounty.gov.**

INSTRUCTIONS

SECTION A: APPLICANT INFORMATION

- Complete all applicant information. If the applicant is an agency or group, identify an individual contact person in the organization who has authority to answer questions and receive official correspondence from the County.
- HUD requires the County to report information about CDBG funded “faith-based” organizations. Organizations are not required to be “faith-based” to receive CDBG funding. However, federal rules do not allow “faith-based” organizations to carry out inherently religious activities using CDBG funds or CDBG funded activities that serve only persons of a particular faith.

SECTION B: PROJECT DESCRIPTION

- Provide a condensed project description, in 25 words or less. Identify the proposed project, its purpose and the intended beneficiary population.
- For public service proposals, state how CDBG funds will be used to provide new or expanded services to a specific eligible clientele. Typical public service proposals include counseling, information and referral, education, shelter and other services that provide direct benefits to eligible recipients.
- For construction improvement and economic development projects, identify the proposed facility; state how it will be used and by whom. Typical construction projects involve new buildings, rehabilitation of existing buildings, and infrastructure improvements such as curbs, gutters, sidewalks, storm drains, water and sewer lines. Other eligible community improvement projects include blight abatement, code enforcement, relocation, demolition, acquisition of real property and certain economic development activities.

SECTION C: PROJECT CHARACTERISTICS

- Project Characteristics - Complete each applicable item to provide details necessary for evaluation of your proposal.

SECTION D: PERFORMANCE OUTCOME MEASUREMENT

- After check-marking the applicable program performance category, please give a brief description of the end-product result that you anticipate achieving. Example: “As a result of the homeless shelter services provided, (10) chronically homeless persons will be placed in permanent housing.”

SECTION E: PROJECT BUDGET

- Project Budget - Estimate and itemize project costs. Itemize the proposed CDBG funding separate from other sources, as requested.
- Highlights of the Federal Labor Standard Provisions are attached. Attachment (A).

SECTION F: AMOUNT OF CDBG FUNDS REQUESTED

- State the total amount of CDBG funds requested for the project.
- Identify the sources and total the amount of other funding represented in the project budget.
- Indicate if this project will benefit residents of non-participating jurisdictions, and whether an application has been submitted to other jurisdictions.

SECTION G: BENEFIT AREAS

Benefit Areas: Determine the geographic area(s) to be served by the proposed project. County CDBG funding can only be allocated to projects that will benefit residents of the cooperating cities listed in Part I, or the unincorporated areas described in Part 2.

- Identify the geographic area(s) that will receive benefits from the proposed project, and assign dollar amounts of the requested funding proportionate to the benefit each identified area would receive. The area of benefit may be a single area in Part 1 or Part 2, or it may include several areas. According to instructions from HUD, a minimum grant award amount is necessary to justify the burden of administering CDBG funded projects and programs. **As a result, the minimum dollar amount allowable to request from each cooperating city or unincorporated community is \$5,000.**
- Add the sub-totals from Parts 1 and 2, and enter the total at the bottom of this section as "Total Funds Requested". This amount should be consistent with Line 1 of Section F. For proposals to benefit the entire county it is not necessary to enter amounts for each city or unincorporated area. Rather, fill in only the "Total Funds Requested" amount at the bottom of the page.

SECTION H: MAINTENANCE AND OPERATION (Construction and other Community Improvement Project Proposals only)

- Provide all information requested in the Maintenance and Operation Commitment, and obtain an appropriate signature. The signatory must be an individual with authority to obligate the entity identified as being responsible for on-going maintenance and operation. (See County CDBG Program Guidelines for more information on maintenance and operation requirements.)
- Estimate annual expenses required to maintain and/or operate the proposed CDBG improvement or facility. Itemize the maintenance and operation costs as needed to complete the budget form provided.
- List all planned sources of revenue to be used for maintenance and operation expenses. Note: maintenance and operation expenses are not eligible for CDBG funding.

DETAILED PROJECT DESCRIPTION (All Proposals)

- Use Page 10 to provide a detailed description of the proposed project, its purpose, and its expected benefits. The description must demonstrate the need for the project, and explain how it meets at least one of the national objectives of the CDBG Program.
- Refer to the general information and guidelines concerning CDBG project eligibility on the information form "CDBG Program Guidelines". Justify the CDBG funding request by addressing all relevant aspects of the project and beneficiary eligibility in the project description.
- This section **must be signed** by a person authorized to act on behalf of the Applicant organization.

The application deadline for the 2009-2010 CDBG Program Year is: **December 15, 2008.**
